

OUTCOME

And on his return he decided to get involved with an association in France.

OUTCOME

And this experience gave him the strength to go abroad as a volunteer.

OUTCOME

And he decided to change direction.

OUTCOME

This is why he decided to cancel and postpone his project.

OUTCOME

Since that day, they have been working to welcome their partner into their home.

OUTCOME

On his return, he decided to share his experience in schools.

OUTCOME

Which shows that hell is paved with good intentions.

OUTCOME

Which shows that preparing for departure would have allowed this situation to be avoided.

OUTCOME

And he found love and stayed in this new country.

OUTCOME

Which was the greatest lesson of his life.

OUTCOME

And he understood that everywhere, in every country in the world, people take control of their destiny.

OUTCOME

It is since that day that he feels like a citizen of the world.

OUTCOME

Since his return, he has felt misunderstood.

OUTCOME

Nothing went as planned and it was perfect that way.

OUTCOME

And it was the beginning of a long friendship.

OUTCOME

And his experience led to the creation of an association to continue their action.

OUTCOME

He was repatriated to be hospitalized urgently.

OUTCOME

And he became a musician in the country's national orchestra.

OUTCOME

**And he devoted
his life to
travelling.**
